

*Learn & Earn:*

# Clinic Assistant Training Program

**Our training program will prepare  
you for a high-wage union  
Clinic Assistant job with benefits!**

With 8-12 weeks of paid training, we will help you prepare for a new job at a local medical office. Our business partner helped us create this training program, and representatives are ready to hire qualified people.

An exciting opportunity! Need a good job with benefits, quickly?

Consider a job as a Clinic Assistant at local medical office. These jobs pay well and are great for workers who like helping people.

- **FREE, short-term training**
- **Designed for busy people**
- **Some training held at Saint Paul College**
- **GET PAID for attending training for 8-12 weeks!**

**Contact us today to learn more!**
