

Neighbors, Inc.
BUILDING STRONGER COMMUNITIES

CNA TRAINING PROGRAM

Start your career in healthcare!

Neighbors, Inc.'s CNA Training Program prepares participants for entry-level employment in healthcare and gives you the skills to become a Certified Nursing Assistant (CNA).

TRAINING DATES

November 13 –
December 23, 2026

SCHEDULE

Wednesdays & Fridays
10:00 AM – 2:00 PM

LOCATION

Dakota County
Technical College (DCTC)
and online

COST

Free for eligible
participants

WHAT YOU'LL LEARN

- Nursing assistant skills
- Patient care
- Communication
- Safety & infection control
- Other foundational healthcare competencies

TRAINING FORMAT

Hybrid program with:

- ~40 hours of in-person classroom and lab instruction at DCTC
- ~35 hours of online coursework

In-person sessions are required on specific dates (see schedule).

ELIGIBILITY REQUIREMENTS

- Minnesota resident, age 18 or older
- Eligible to work in the United States
- Not enrolled in high school
- Meet income or other program eligibility requirements (e.g., individual of color or income at or below 200% of federal poverty guideline)
- Fluent in English
- Access to a computer or laptop with reliable internet
- Meet CNA training requirements

MORE THAN JUST TRAINING

You'll also receive work-readiness and professional communication skills, plus personalized career coaching. Support includes resume and interview preparation, job-search assistance, employer connections, and placement support.

*Take the next step
in your future!*
