

CompTIA Network+[®] Certification

Independent Study

Build in-demand skills. Start your IT career.

Program Dates

Thursday, November 12, 2026 –
Friday, November 13, 2026

No set start date. You can begin once your enrollment is complete.

The date above is for the job posting only and does not determine when your course begins.

Format

Virtual, self-paced (Independent Study)

Complete coursework within 3 months.

Certification

CompTIA Network+

Renewal every 3 years from the date of the exam.

Cost

100% covered by grants for eligible participants.

Eligibility

Must meet at least one requirement:

- Person of color
- Household income at or below 200% of the Federal Poverty Level (FPL).

What's Included?

The CompTIA virtual training platform provides:

- ✓ Online lessons and performance-based questions (PBQs)
- ✓ Virtual labs and practice assessments
- ✓ Flashcards and game center
- ✓ Additional resources
- ✓ Instructor support
- ✓ 1–2 exam vouchers (includes a free retake)

Learn Hands-On Skills

CompTIA Network+ helps you develop a career in IT infrastructure by teaching you how to troubleshoot, **configure**, and manage networks. You'll learn to work with wired and wireless networks, plus emerging technologies like cloud, mobile, virtualization, and unified communications.

Career Opportunities

With CompTIA Network+ training and certification, you can pursue roles such as:

- Tier II IT Support
- IT Support Manager
- Network Administrator
- Systems Administrator
- Data Center Technician

*More skills.
More opportunities.*

Basic Requirements

- High school diploma or GED (preferred, not required)
- Basic math and reading skills (8th-grade level)
- English proficiency
- CompTIA Tech+ minimum (A+ level knowledge preferred)

How to Enroll

- 1 Complete the Minnesota Tech for Success application.
- 2 Watch for an email with next steps. Allow up to 5 business days for a response (check your spam/junk folder).

Office visits are by appointment only. Please contact us before visiting.
